

Product No: P6243G-500g
Product Name: Poly(ethylene glycol)
CAS: 25322-68-3
Formula: $\text{HO}(\text{CH}_2\text{CH}_2\text{O})_n\text{H}$ Formula Weight:
Specification: average Mn 300
Inspection Date: 2024-10-06
Reinspection Date: 2027-09-26

Test	Specification		Result
	Min.	Max.	
Molecular Number	285	315	300
REFRACTIVE INDEX N20/D	1.463	1.466	1.4644
VISCOSITY	25	38	32
HEAVY METALS		0.0005	0.0005
As		0.0003	0.0003
APPEARANCE	COLORLESS LIQUID		COLORLESS LIQUID

The specification contents may change without advance notice. The values shown here are the most current. While the product labels might show different specifications, the quality of the product remains consistent with the latest specification.
